DOM PÉRIGNON x LADY GAGA: 2021 LIMITED EDITIONS

This is the story of two creators – Lady Gaga and Dom Pérignon, embodied by its Chef de Cave Vincent Chaperon. Their inspired collaboration is sparked by a shared belief in absolute creative freedom. Lady Gaga, inspiring others to dream, to experiment, to express themselves. And Dom Pérignon, perpetually exploring the edge of creation with each vintage, revealing harmony from an ever-changing nature, climate, and the unique constraints that every year brings.

First revealed in April 2021, this collaboration has already taken the form of an artistic brand campaign and a limited-edition sculpture designed by Lady Gaga. Continuing their shared creative pursuit, Lady Gaga has signed a limited edition bottle of Dom Pérignon Vintage 2010 and Rosé Vintage 2006 in exclusive and creative cases. The swathe of iridescence reflects the flow and movement of a magnetic veil. Rippling and shifting, their design is a visual ode to creativity. A vital impulse.

Dom Pérignon Vintage 2010

All creative processes have their constraints. For Dom Pérignon, it is the vintage. The absolute commitment to bear witness to each year, whatever the challenges may be.

For 2010, declaring a vintage was a wager won thanks to inspiration and mastery. The nose of Dom Pérignon Vintage 2010 evokes both the freshness of an English garden after the rain and lushness of a tropical garden. It has an earthy depth that is affirmed on the palate, tracing a solid, welcoming presence.

Dom Pérignon Rosé Vintage 2006

When Dom Pérignon chooses to be rosé, it is a declaration of freedom. Freedom to cast convention aside and push its own boundaries, seizing the red of the pinot noir grape in its primal radiance, capturing its vital power in a bold, assertive assemblage.

The captivating bouquet of Dom Pérignon Rosé Vintage 2006, ripe and profound, is a prelude to an enveloping wave that is at the same time crisp, firm, and juicy on the palate. This energy – tinged with sensuality and mystery – takes us to the surprising briny, saline finish.

Dom Pérignon x Lady Gaga Limited Edition Vintage 2010 (UVP 205€) and Rosé Vintage 2006 (UVP 315€) will be available from October onwards at Clos19.com.
